

HEDRICK ASSOCIATES OF GRAND RAPIDS: HEDRICK POWER SYSTEMS ROAD SHOW

CEUS
AVAILABLE

JOIN US, ELECTRO-INDUSTRIES GAUGETECH (EIG) AND RAYCAP FOR THIS YEARS POWER SYSTEMS ROAD SHOW!

Join us for our first live seminar and product demo show since 2019! We are happy to have Electro-Industries/Gaugetech (EIG) and Raycap in town to provide an update on the power monitoring and surge suppression industries, and demonstrate some of their latest product offerings. We hope to see you there!

For more about these manufactures click on their logo.

***RSVP LINKS ON PAGE 2.**

WHAT TO EXPECT:

- Learn why EIG's EnergyPQA.com® cloud-based energy management system won the Computers & Software category of EC&M's 2021 Product of the Year competition.
- Learn about the benefits that strategically deployed power quality meters can offer to facility managers and facility owners.
- Learn about EIG's lineup of industry leading monitoring and metering products. Get your hands on these devices at our demo tables.
- Learn about the value of strategically placed surge protection devices, and how surge activity has a significant impact on your facility's equipment and your bottom line.
- Learn why Raycap is the exclusive surge protection provider to customers with the most demanding surge protection needs, such as wind farms and cellular providers.
- Get your hands on Raycaps' industry leading surge protection products, and see the features that set them apart from the rest of the industry.
- See a variety of other power products offered by Hedrick associates, such as UPS products, arc flash mitigation panels, rack power distribution, and modular busway.
